by Heart • Hook • Home

For this Joker amigurumi pattern, you will work continuously in a spiral instead of joining. We start with the legs and work our way up to the top of the head.

Materials:

Purple yarn (worsted weight)
Orange yarn (worsted weight)
White yarn (worsted weight)
Brown yarn (worsted weight)
Black yarn (worsted weight)
Lime green yarn for tie
Green yarn for hair (I used Caron Simply Soft)
Safety Eyes
Red Yarn for mouth
Tapestry needle
Crochet Hook in size G

Make two, do not fasten off after finishing the second leg. Instead, join with slip stitch to the first leg and continue to make body portion of the doll.

Flaps on jacket

Looking down at jacket (with his legs facing away from you) attach purple yarn in 12th st.

Row 1: sc in next 14. Ch-1, turn. (14)

Rows 2 - 9: sc in first 6 sts. Ch-1, turn. (6)

Row 10: sc in each, fasten off and weave in end. (6)

first (right) flap finished

Attach yarn on underneath/inside of jacket, leaving two sts between flaps.

Row 1: sc in next 6 sts. Ch-1, turn.

Row 2 - 8: sc in first 6 sts. Ch-1, turn.

Row 9: sc in each. (6)

second (left) flap finished

INSTEAD of fastening off, continue to sc around the edges to the front of the jacket. When you reach the end/collar, fasten off and re-attach at the other collar. Continue sc around to complete the jacket border.

DONE with jacket!

At this point, go ahead and weave in ALL of your ends throughout the entire doll, if you have not already. Next, we'll add his orange front shirt tails.

Orange shirt tails

With the feet facing away from you, attach orange yarn to the the MIDDLE of his back, where your yarn color changes from brown to orange. (you're working into the front loop from row 28 on body)

for this row you you will probably need to adjust your sc sts to make sure the center of his shirt (the sl sts) ends up on the center of his body. The important thing is to have your hdc and dc and sl sts line up

Sc in next 18 sts, hdc in next 3 sts, dc in next 3 sts, sl st in next 2 sts (should be very center of his belly), dc in next 3, hdc in next 3, sc in next 18 and join. Weave in end.

DONE with body!

The last row of the body/neck (row 39 above) should have ended with 32 sts. Attach white yarn to the top of HIS left collar (the right side of the orange shirt if you're looking at him) and work in the spiral looking at him (not inside).

Head

Row 1: *sc in first 2 sts, 2sc in next* (44)

Row 2: *sc in first 3 sts, 2sc in next* (54)

Rows 3 - 10: sc in each st around (54)

Row 11: sc in each st around, when you get to the CENTER of his face do a bobble st (for nose) and continue sc around

Row 12: sc in each st around (54)

Row 13: sc in each st around, attaching safety eyes 10 sts apart (5 sts on each side of his nose), continue sc around (54)

Rows 14 - 16: sc in each st around (54)

start decrease

Row 17: *sc in first 6 ts, sc2tog* (48)

Row 18: *sc in first 5 sts, sc2tog* (41)

Row 19: *sc in first 4, sc2tog* (34)

Row 20: *sc in first 3, sc2tog* (27)

Row 21: *sc in first 2, sc2tog* (20)

Row 22: *sc in first st, sc2tog* (14)

Rows 23 and beyond: sc2tog until closed, sew together and weave in ends.

Arms

Make two, beginning with a magic circle and working in a spiral with white yarn.

Row 1: 6sc in circle (6)

Row 2: 2sc in each around (12)

Row 3: *sc in first st, 2sc in next* (18)

Row 4 & 5: sc in each (18)

change to orange yarn

Row 6: hdc in each around (18)

Row 7: sc in the 3rd (back back) loop of row 6 (this helps to push the front two loops out to form cuffs)

Row 8: sc in each around (18)

change to purple

Row 9: sc in blo (18)

Rows 10 - 18: sc in each (18)

Row 19: *sc, sc2tog* (12)

Stuff, fasten off leaving long-ish tail for sewing.

Attach a lighter purple to the front loop from row 9 with his “hand” pointing toward you. Sc in each around, and do four more sc rows before fastening off. This will appear to be the lining of his jacket, turned up.

Attach arms to body.

Now you’re ALL done except for the ears, hair and smile! Woohoo!

Ears

Make two, using a magic circle with white yarn.

Row 1: 6sc in circle (6)

Row 2: 2sc in each around (12)

Row 3: sc in each around (12)

Fold ear in half, pinch it a little so it’s curved in (like an ear) and sew onto head. I sewed mine with the top of ears lining up to the center of his nose.

Using bright red yarn and a tapestry needle, sew on his smile. This is supposed to look messy, so don't overanalyze it.

Next, using green yarn, attach his hair in the manner you prefer. I personally thread my tapestry needle and tie them off securely, one strand at a time. Do as little or as much hair as you like, and trim when finished.

Attach a small piece of red fluff (or a small flower) to his lapel if you choose, and a lime green piece of yarn as his neck tie.

DONE!!
